Join the Fort Lauderdale Bridge Club with bridge players across the country and play to raise funds to fight Alzheimer's disease. Held annually on the summer solstice, the event symbolizes the challenging journey of those with Alzheimer's disease and their caregivers. This is the fourth year of our partnership with The Longest Day. Last year we contribute more than \$5,000 to the cause. Do something you love and play bridge on Wednesday, June 21th. Games will be held from 9am to 10pm. More information will be available soon.</p>
